Margo Gainska

gainskam@gmail.com • +358 50 436 5159

Technology-driven design strategist with **7+ years of experience** bridging business, technology, and design to drive digital transformation from concept to scale.

Experience

Supermetrics
Senior Product Designer
Helsinki, 2024 – now

Led end-to-end product strategy and design for **4 technology initiatives**, including an AI-powered low-code integration platform, expanding the company's strategic offering and unlocking a new customer segment. Designed transformation features **adopted by ~40% of users**, contributing to **~2% revenue growth**.

Google
UX Design Intern
Zurich, 2023

Led vision project for YouTube Channels, explored wide range of solutions and strategically planned design phase 1. Prepared implementation of a flow on YouTube Search for **10M+ daily users**.

Meta
Product Design Intern
London, 2022

Ads&Business Team. Designed experiences that support app discovery across Meta products. **Shipped end-to-end flow on Facebook.** Established long-term vision that extends to Instagram and Messenger.

Nordkapp
Design Consultant
Helsinki, 2021 – 2023

Worked with some of the **biggest Nordic companies** as part of a strategy and design agency. Delivered strategic recommendations bridging user insight and business value for Nordic enterprise clients.

BCG DV Venture & Early-Stage Startups
Product Designer
Berlin, 2018 – 2021

Led end-to-end design for **5+ digital products** across early- and growth-stage startups. Partnered with cross-functional leadership (CPO, CTO, and PMs) to align technology investments with business objectives.
